ONMETAVERSE

summit

THE INTERNATIONAL SUMMIT ON METAVERSE DESIGN & TECHNOLOGIES IS BACK!

Join us and discover how design is shaping the next generation of technology.

Through discussions and round tables led by world-renowned speakers, and an extensive experience area with hands-on on the latest in tech, you will learn about the implications of Metaverse technologies: virtual worlds, web3, AI.

▶ NOVEMBER

November 9, 2023.
One-day full immersion.

▶ MILAN, ITALY

The world capital of design and creativity. The event will be held at the MiCo exhibitions venue.

▶ OUR VISION

Pioneering the discourse on how to design in a beautiful, ethical and sustainable way the technologies that will reshape the way we see the world.
